

ASSET INDUSTRIAL SEMI-HYDRAULIC PANBRAKE

Heavy Duty Panbrake With Extra Large Opening Height - 240 Volt

FEATURES

- huge box folding height and finger stem length
- touch screen programmable controller
- safety light guards
- back gauge included
- heavy duty full steel welded body.
- hardened and ground fingers
- manually operated clamping and bending operation for efficient folding applications
- high structural rigidity from heavy plate box steel construction with continuous welding seams
- quick action adjustment of beam for varying material thickness and settings
- spherical bearings for smooth ease of operation on the clamping mechanism
- replaceable bronze bushes at all points of wear with easy access
- grease nipples located at all points of wear
- variety of finger widths suitable for all box bending combinations
- CE Compliant

TECHNICAL DATA	(model)	ASSET HFM-2-2500B
sku	(#)	18-0177
folding length	(mm)	2440
maximum thickness	(mm)	2
maximum bending angle	(deg)	135°
largest depth of box	(mm)	180
maximum lift of top beam	(mm)	160
weight	(kg)	1750
power		240v (20amp)
dimensions (l x w x h)	(mm)	2800 X 900 X 1600
PRICE	(AUD)	\$

3 ph /415 volt machinery do not come fitted with plugs as standard. GST is NOT included in the listed prices
