

STEELMASTER ELECTRO SHEAR

Fast And Efficient Shearing For use In Both Jobbing And Production.
Power Backgauge Model Available.

UNIQUE FEATURES

"making ours unique!"

- Quality Reversible Blades
- Easy Cutting Line Viewing
- Flat Infeed Table

FEATURES

- heavy steel weldment construction for maximum stability
- quiet operation with brake motor, all components run on maintenance free bearings
- parallel blade guides ensure high cutting precision
- hardened and ground high quality HSS blades fitted
- calibrated squaring arm with front sheet supports
- hold-down system with slip-resistant rubber coating and front safety guard
- quick action blade-gap setting
- roving foot-pedal operation
- heavy duty backgauge
- CE compliant

EQUIPMENT & ACCESSORIES SUPPLIED

Top and bottom blades, remote foot control pedal, squaring arm, sheet supports, tools and manual

TECHNICAL FEATURES

- Front sheet supports
- Rear safety net guarding
- Remote foot pedal operation
- Frame is constructed of whole welded steel, compact construction with light weight and good rigidity
